GWCS 3/07 1M

Utica presents this classic Italianate holloware collection made of 18/10 Stainless available in mirrored or brushed finishes. Our D!ZiNE line has a true gooseneck spout preferred for accuracy in pouring. Argon welds insure against leaks. All holloware lids have durable five knuckle hinges that allow the covers to open a full 180°, lying completely flat during washing with little or no chance of damage. Hollow handles protect user from handling hot beverages.

MIRROR FINISH SOPRANO HOLLOWARE
